Medico-Legal SpecialistsMedico-Legal Specialists

What is it Medico Legal

Medico Legal Assessment is when medical knowledge is sought to answer legal questions. In the field of medicine this will often have to do with opinions regarding physical injuries, degrees of impairment, specific diagnoses, recommended treatment and a cost estimate of such treatment

We provide comprehensive medico-legal services which include assistance with road accident fund claims, medical negligence claims, functional capacity evaluations (FCE's) and claimants that include disability and personal injury claims
